I could look for them. I know she gave us all her receipts.

Jon,

The fax we received regarding Jody's Washington DC trip, could be a legitimate thing. Do we even have any emails/correspondence etc that we would send?

If so, I would recommend we send to Greg and get his opinion. It might have something to do with her recall petition?

Thanks John. The Town got the same request. I did not keep a copy of my expense claim so I didn't have that.

I just wanted to let you know that we had a FOIA request come in last week regarding your Washington DC trip that you made on behalf of BCAG and the Town of Paradise (see attached).

We reviewed it with our attorney to make sure it was legit, he said it was, so we have been compiling the information we had - emails, receipts and talking points.

Anyway, I just wanted to let you know.

Call me if you have any questions.
